You have been registered for an iSkills workshop.

**To withdraw** from this workshop, you must cancel your order.

**To change the session date or time you are registered for** you must also cancel your order and then re-register for the session time or date you now want.

Steps to withdraw/cancel your order
1) Use the email address you registered with to log on to Eventbrite.
2) Once you are logged in, click on your name that is located on the top right of the screen and select "Tickets" from the dropdown menu.
3) Select the workshop you wish to withdraw from and then press the "Cancel Order" button.
4) After clicking "Cancel Order" a pop up will appear. Select the "Yes, cancel this order" button on the pop up and this workshop will no longer appear in your orders.
